

Neighbors Working for and With Neighbors

RE-ELECT

JAMES TSAPTSINOS
BOARD OF FINANCE

James and his family moved to Granby from Long Island, NY in 2012. James is a Vice President of Global Sales in the musical instrument industry with a strong background in Planning and Finance. James' wife Jessica is a Paralegal and Executive Administrator. Jessica volunteers her time as President of the Granby PTO and serves as Head of the Fundraising Committee. Their son Demetrios is in 4th grade at Wells Road and participates in Granby Rec. Basketball, Granby/East Granby Little League and Granby Rovers.

James is currently a member of the Board of Finance where he is proud, that through the budgeting process the Board has ensured the Town and School Board's needs are being provided for, while delivering a zero percent tax increase for our residents over the past 2 years.

His priorities at the macro level are driven by our residents. James believe as an elected board member that his support for processes and initiatives needs to be primarily reflective of our neighbors wants and needs over his personal opinions.

The Tsaptsinos family has actively served the Granby Community for over 5 years. It is their belief that it take the whole community to participate in the Granby experience and they look forward to many more years of volunteering and creating a better life for all Granby residents. His other public service includes:

- Parks & Rec. Board Member
- Rec. Basketball Coach
- Granby/East Granby Little League Coach
- Granby Rovers Coach
- Granby Lacrosse Coach
- Proud Freemason

James' top priorities are:

1. **Weighing the financial wants and needs of the town through community engagement.**
2. **Ensuring the Town receives budget guidance to support the collective efforts.**
3. **Achieving Town objectives in the most fiscally responsible manner.**
