

Neighbors Working for and With Neighbors

RE-ELECT MARK NEUMANN SELECTMAN

Mark is a native son of Granby and is grateful to find a home here with his wife Karen. Mark is committed to giving back to the community and has dedicated time and resources to a number of organizations, including: the Granby Land Trust; and the Granby Cemetery Inc.

Mark is an Engineer at Collins Aerospace, with 25 years of experience in support projects for the International Space Station Program.

Mark is completing his ninth term on the Granby Board of Selectmen. His other public service includes:

- Granby Board of Selectman
- Granby Board of Assessment Appeals
- Town Constable
- Town Owned Lane Use Committee
- Capital Program Priorities Advisory Committee
- Kearns School Study Committee

**GRANBY
REPUBLICANS**

I have followed a fiscally conservative approach to meeting Granby's needs and am asking for your vote this election so I can continue to do so.
